Chair of Public-Private Committee

Posted by Brian Whaley on May 30 '13

Brett,

I was just searching the Basecamp website and noticed that we still do not have a chair for the Public-Private Committee. If that is indeed the case, I would be willing to step up and take the lead.

Thanks!

We have co-chairs. Lets discuss tomorrow. There is a governance ppt with all members listed. Open to input.

Thanks for stepping up.

Okay, I see it now. I was looking at an older email.
