I am forwarding the below information to you as an FYI. We do not expect this to pass, but wanted you to be aware.

FYI...the blue highlighted portion is what they took from our current FY2013 prioritization list. The remainder of the SHSP (highlighted in yellow) is what they are proposing to divert to DOE and not fund the remaining DSOC approved projects for FY 2013.

The language in the appropriation that came out.

Senate Bill is now on-line:

1949A LUMP SUM
 STRENGTHENING DOMESTIC SECURITY
 FROM TRUST FUNDS 24,341,733

Funds provided in Specific Appropriation 1949A are contingent on federal grants being awarded. Should the amount awarded for each federal grant be less than the amount appropriated, Urban Areas Security Initiative funds shall be awarded on a pro-rata basis to the projects specified in this proviso under the Division of Emergency Management and State Homeland Security Program funds shall be awarded on a pro-rata basis to the projects specified in this proviso under the Department of Education.

From the funds in Specific Appropriation 1949A, \$10,348,204 from Trust Funds, or a lesser amount derived in accordance with the provisions of the above paragraph, provided for Site Hardening and Mass Communication shall be transferred to the Department of Education to provide for a competitive grant program as specified in Specific Appropriation 110.
