FirstNet Grant Application Milestone

Posted by Dave Westberry on Mar 20 '13

A big "Thank You" to Jay Sexton and each of you who assisted in developing Florida's FirstNet Grant application. Because of your efforts, our DHSMV Grant Management Team (with a huge assist from the DEM team) successfully filed Florida's grant application on Monday, March 18.

As we receive additional information related to the grant application and our proposed project, we will post additional updates.

We look forward to working with you all throughout this process!

Dave
