## Committee Members (as collected via survey)

Posted by Brett Boston on Mar 25 '13

All:

1. As of March 25, 2013, the following have self-registered for one of more of the respective FloridaNet Committees.

The survey link is still open for those that have not yet registered for a Committee.  
Survey at: <https://www.surveymonkey.com/s/FirstNetPoll>

Please advise of any errors.

2. We will be scheduling Committee Meetings soon. I will work with the Chairs to get the agendas and meeting timing. Being organized and ready to launch in July is the primary goal of the upcoming meetings. As much as possible, we will take advantage of WebEx to avoid travel until dollars are available to cover activities related to the grant.
